RE: Tentative Approval
Frank M. Mine
ACT/017/017
Garfield County, Utah

Dear Mr. Sewell:

At their July 26, 1979 Executive Meeting, the Board of Oil, Gas, and Mining gave concurrence to Division Staff in their decision to issue tentative approval to the Frank M. Mine.

The Division hereby issues tentative approval to this mine.

The Board also gave concurrence for the amount of surety estimated by the Division at \$46,619.00. Surety can be accepted for this mine in the form of a contract, as approved also by the Board.

As you know, a condensed version of the mining and reclamation plan will be published one time only in a local newspaper and in Salt Lake City newspapers to solicit public comment. If no adverse comment is received within 30 days of publication, the Division can issue final approval to the mine upon receipt of surety.

Thank you for your cooperation.

Sincerely,

RONALD W. DANIELS
COORDINATOR OF MINED LAND DEVELOPMENT
